- June 22 Early Dismissal & Gr. 5-8 Awards & **GRADUATION @ 6pm**
- June 23 LAST DAY: Early Dismissal

These students have made a choice to demonstrate those characteristics that the National Junior Honor Society holds dear; characteristics such as service, leadership, scholarship, citizenship, and character. Membership is a wonderful distinction, but along with the title comes a lot of responsibility. Membership also means setting a good example, and sometimes that can be tough. Peers continuously look to their fellow classmates as inspiration, and they have to show their best at all times. Congratulations to our Tuckahoe Seventh Graders!

2017-18
