### EMPTY BOWLS NIGHT

The Tuckahoe Educational Foundation, Art Department, PTO and Shared Decision Making Team is hosting a collaborative community event where students, parents and seniors will have an opportunity to create a pottery bowl that will be auctioned off at our Tuckahoe Brain-Power Evening Event on

March 8th

## [Tuckahoe School Would Like Your Input!](#)

The Tuckahoe Common School District is seeking your input, so that together with the community we can construct a five-year action plan for the district. This survey is not intended to rate our current programming, but rather seeks your input on what is most important to our students' academic future. This information will be used to design an action plan that incorporates and accentuates the priorities of our community, while being mindful of our monetary resources. We thank you in advance for your participation in creating a plan that outlines a path for continuous improvement and increased opportunities for our lifelong learners.

To take our survey, please visit us at:

*Paper copies of the survey are available in our main office. All surveys are anonymous.*

The survey can be displayed in any language. Just choose the desired language on the bottom left side of the page.

**The Survey will close February 16, 2018.**

## [Pre-Kindergarten Studies Different Types of Animals](#)

Mrs. Shearer and Mrs. Finocchiaro pre-kindergarten classes are currently learning all about arctic animals. Since it is winter and we have been talking about the arctic habitat, students in pre-k sang songs at our January family assembly that were about snow. Such as, "The Five Little Snowmen" and "I am a Little Snowman."
